*March 2019*

## **From the President — Roe Hiers**

This month certainly MARCHed in with some winter like weather, and thankfully, beautiful warmer days as we SPRING forward -officially next week. This is a great time of year to spruce up our homes and get out and enjoy the season, as well as the camaraderie amongst the members of our community. Our Social Committee has been doing a great job in providing several activities in which we can partake. Something for everyone! Now that we are on Daylight Savings Time, we have more time to enjoy the park at the North Point, and weather cooperating, get back to our wine socials the second Friday of the month.

For the first time, our Tidelands Community will have an entrant in the Parade of Homes – 19 Longview Way. The Parade of Homes will run March 23rd through March 31st. During this time, there will be blue and yellow signs posted (Parade of Homes emblem) directing people to the participating home. ENVERA has been advised so that people desiring to enter will state they are here for the Parade of Homes #19 Longview and will be admitted during the hours of 10am – 5pm. I'm sure this will entice more people to view our lovely community!

Our Annual meeting and Board meeting will take place on Monday, March 18<sup>th</sup> at 500pm. It is wonderful to see several candidates volunteering to serve on the Board! Please ensure you are current on your association fees and your ballots are in the envelope that contains your address and signature in order for your ballot to count. I am attaching a letter I received this week from one of our residents, as he has requested it be provided to all members of the HOA. Because this matter is currently in litigation, there will be some restriction as to what can be said. I will attempt to once again provide an update at our annual meeting.

Thank you!
