From the President — Roe Hiers

Spring Update!

We had a good turnout at our annual meeting Monday evening. I'd like to take this opportunity to welcome our new board members – Craig Meyer and Tim Weathers, and Patti Zahn, to a new two year term. Craig will assume the position of Vice President, Tim, as Treasurer, Patti will remain Secretary, and Joe remains a Director and chair of Grounds and Maintenance. I will remain President. Thanks to all who volunteer to serve our community – in any capacity. I would however, like to give special recognition and thanks to Renee Blake, who has served on this Board for several years for her dedication and commitment to the betterment of our community. Many thanks also to Leigh Kappleman who stepped up to fill a vacated position on the board, and did a great job as Treasurer. I have had the pleasure of serving on the Board for several years with various members, and have a great appreciation for all who contribute to make our Tidelands community a beautiful place to live.

One issue of concern that was voiced by our members at the meeting is the observation,

or lack thereof, of the speed limits within our Tidelands community. While we have signs posted to observe 25/30 mph, it is still quite fast. With all the construction that is going on and trucks and cars occupying the streets, it is dangerous to go around corners blindly without regard for the people in our community – residents and visitors, as well as workers. Our Board will be investigating our options to deter people from speeding, e.g. speed bumps, speed humps, policing, etc. We ask you be considerate of all the people in our community and SLOW DOWN! Tomorrow begins the Parade of Homes in Flagler, and we can expect a lot more traffic visiting the Tidelands as we have an entry at 19 Longview.

The weather promises to be beautiful, and with Spring temperatures arriving, get out and enjoy the beauty of our Tidelands!
